Stony Creek Lodge #5 F.&A.M.

Brothers of Stony Creek Lodge:

It is my greatest honor to be chosen to lead Stony Creek Lodge. This is an exciting time for this Lodge and Masonry. We are changing and growing, and with that we have experienced some growing pains as any group does. In the past few years the things that we have accomplished have been outstanding.

We are representing our community at the Art and Apples festival, showing our resound at the Holiday Parade. Serving our community at places like Gods Helping Hands and Grace Centers of hope. We support those who have fought for our country with food dives and fishing expeditions.

Within the Lodge we have secured our financial future, added to the comfort of this building with cable, internet and a wireless network. We have furniture that you actually want to sit in. And we get together for social nights. We are changing and growing and I am excited about it.

We must continue to do so. We must remember that it is the Brothers that make up the Lodge. If this building were to crumble, Masonry would stay strong. If this ritual should fade, the brotherhood will continue to shine bright. It is time Brothers for us to go from Ritualists to Instructors, and from Brothers to Friends.

This year, with the help this officer line, we have some great things planned. We will get to know the brother behind the handshake and those that love him. By the end of this year, I hope to be able to put a

face with every name, and a family with every face. We are going to continue to serve our community; we are going to have some nights where the wives and loved ones can get out. We are going to increase our bond to each other and those around us and continue to grow this Lodge to be one of the best Lodges in Michigan.

So what are we going to do? We are going to have some night outs that also raise us money at places like Mongolian BBQ and Max and Erma's, we are going to have a wives night. We are going to have a competition with the others in our district to see who really has the best ritual. We are going to try to have a Festive Board. We are going to put a float in the parade. We are going to do all this and more, and have a great time doing it.

We also have the honor of having a Grand Line Officer within our Lodge. Dave Hill was elected Grand Marshal at the last Grand Lodge session; we should ensure that we give him our support in his difficult job as a leader in Masonry. To that effect, we are hosting a reception for him on January 5th and I hope that as many of the brethren can be there to support him.

We have a great year planned and an outstanding officer line that I know will not let you down.

See you in Lodge.
