Brothers of Stony Creek Lodge:

Well brothers here we are, the year is half way done and what an amazing ride it has been. I have just returned from Grand Lodge and that experience was extremely interesting. Sitting with the Grand Marshal and really being a part of the proceedings was incredible. There were lots of dignitaries from all over Masonry, even so far as the George Washington Masonic Memorial. The morning was spent with introductions of these Brothers who every day direct the future of our craft, listening to them speak so highly of Michigan and the Masons it holds made me really think that we are doing a great job and people are noticing.

After lunch the 2013 Grand Officers were installed and congratulations go out to our new Grand Master Ray Lemons on his ascension to the big chair. Also, big congratulations go out to the new Worshipful Grand Junior Deacon our own Dave Hill.

After the installation it was back to the business that we were there to accomplish. The amendments were read and voted upon. The amendment on requiring background checks failed, as well as the ones dropping the per capita

on plural members, ending the life memberships, expanding the definition of unmasonic conduct, and allowing a temporary liquor license. There was some exciting discussion on many of the amendments but more on these six. While they did fail, Masonic law requires a 2/3rds majority to pass, many of them got more than 50% of the vote so I would expect to see some of these come up for a vote again.

It was truly a great experience to be a part of this event and, if you have the opportunity, you should try and go.

Our June regular followed a week later with a Master Mason Degree will be the last meetings before we go dark for the summer, but that does not mean that we will stop getting together. Your Junior Warden has several fun events planned through the summer months for all us brothers to get together and enjoy each other's company.

We also have a Child ID event at the Rochester Police Open house June 8th, and a Master Mason Degree on the 11th for a very worthy brother. I hope to see you all at Lodge on June 4th for our regular; we have a lot to go over before we go dark for the summer and also prepare for the MM Degree.

See you in Lodge!
