Dear Brothers,

Wow this is already going by so fast already, I cannot believe that it is already March. I guess we will see what the weather is going to do, we had some beautiful weather this last week but once again Michigan fooled us and temperatures crashed for the weekend. But, what are you going to do we do live in Michigan, and can easily get all for seasons in one afternoon.

March Overview

This month's business agenda is pretty light, we will be doing one proficiency and talking about increasing the wow factor for our new Master Masons. We have been keeping the meeting to about an hour, this has allowed us to have some great comradery after the meetings and talk as guys. That being said our schedule is about to crank into high gear. This month it looks like we are going to be doing two master degrees on the 25th of March, so start brushing up on your work so we can really know these guys socks off.

Events for March & MM Degree

I have been thinking a lot about events, there are some that we have to do and some we should do because they are fun. Frist don't forget about the DDI&BGP elections that we are going to be hosting on March 11th. Breakfast will be served at 9:00 A.M. and the

meeting will start around 10:30 A.M. This should give us some time to get to know each other and get some good candidates for these two important positions. On March 6th Corinthian is going to be hosting a talk about the York Rite of Masonry, this should be an interesting evening if you are interested in that aspect of the craft. On the 25th we are going to confer our first degree of the year, a double master's degree starting at 11:00 A.M. with a light breakfast before and a killer lunch in between the first and second section, I really hope to see you there.

Upcoming Events for April

In April we have the Interfraternal Dinner on April 11th at 6:30 P.M., this is a really neat event where eleven different fraternal organizations get together and talk about what they each do and give some insight. Also in April is Deacons Day at Masonic Pathways, on April 1st at 9:00 A.M. you are invited to take a tour and learn about all the work that goes into having a five star facility in Alma. We are in the early stages of planning a few other things as well, a trip to a baseball game in May, Golf Trip in June and Picnic in August. So I will keep you posted on all of those.

Until next time, hope to see you in lodge.
